Subject: request for comment from Wall Street Journal

To: Press <press@gsa.gov>

Hello, I wanted to seek comment on the Trump Post Office new financial statement documents posted today - it seems these included non-redacted financial statements filed in April, May and June 2017 for the Trump Washington DC Hotel on this site - <https://www.gsa.gov/portal/content/305477>. Can you please comment on whether this was an error or a new policy for the agency?

Thanks very much.

Best,

Jack, as we discussed, this was posted by mistake. The wrong file got attached. Amie is pulling it down in the next few minutes.

In the future, Bridgette will review the file to be posted with Amie or whoever is responsible for uploading to the Reading Room before the go live button is pressed.

The correct file was approved by OGC and Travis, but a mistake was made in what was given to Amie.

With the new procedure/check this won't happen again. I might say, it has not happened in the past.

I do apologize. Cynthia
